Mode of election

A Fachschaft makes up an electoral ward. The elections is a personality election. Every elective person has one vote, which they casts for one candidate. Elected are the candidates with the most votes, who got at least one vote. In case of a voting tie the election supervision will draw lots to determine the order. If an elected candidate retires, the candidate with the most and at leasts one votes who was not considered before takes the seat. If there is no more candidate on the list, the seat remains vacant.
